* In the following Octave-Exercise there is no tempo marked. The player has to adapt the time to the degree of his ability. Moreover, the performer will scarcely be able to play this exercise right through; neither is he expected to do so. The exercise is only calculated to offer material for studying. The same remark applies to the following Staccato- and Trill Exercise.

* Bei der folgenden Octaven-Uebung ist kein Zeitmass vorgeschrieben, es richtet sich dies ganz nach der Fertigkeit des Ausführenden. Auch wird diese Übung wohl schwerlich vom Anfang bis zu Ende ganz ausgehalten werden können, was auch nicht verlangt wird; dieselbe soll nur dazu dienen, stets etwas zum Studium zu bieten. Dasselbe gilt auch von der nächstfolgenden Staccato- und Triller-Etude.

№ 10 Octave - Exercise
Oktaven-Übung

№ 11 Staccato and Trill Exercise
Staccato und Triller Etude

Moderato

NB * Careful attention must be given in the following Triplet-Exercise, that every tone is of equal duration and that no break of the slightest kind will occur between either of the notes and particularly not after the third note of each group.
The entire exercise must be practised in as rounded and fluent a manner as possible.

NB * Bei folgender Triolen-Etude muss man besonders darauf achten, dass jeder Ton gleichmässig schnell gebracht wird und dass namentlich nach der dritten Note keine Lücke, wenn auch noch so klein, entsteht. Dieselbe muss so rund und gleichlaufend wie nur möglich studiert werden.

№ 12 Exercise for Triplets (See footnote on preceding page.)
Triolen Etude (Siehe Bemerkung auf vorhergehender Seite.)

Allegro moderato
